Dear Samuel Mutua,

Re: Contract offer from Kuopion Palloseura (KuPS), Finland

We are pleased to pass on a written offer from Kuopion Palloseura of a two-year professional contract for the 2027 Veikkausliiga season. The offer is for a gross salary of EUR 2,800 per month, with housing provided by the club.

Your contract with Mombasa Harbour FC ended on 30 June 2026, so you are a free agent. KuPS intends to register you as an out-of-contract player and wants you to start pre-season training on 15 January 2027.

You will not pay any fee to us or to the club. Our commission is paid by KuPS under the FIFA Football Agent Regulations, and you may verify the offer directly with the club at kups.fi.

The next steps are set out on page 2.

SIMULATED TEST DOCUMENT (OffsAid). Not a real offer.

Next steps

1. Read the attached offer from KuPS and tell us if you have questions.

2. KuPS will arrange a medical examination in Kuopio before signing.

3. The club's lawyer will prepare your residence permit application to the Finnish Immigration Service (Migri). Please do not pay anyone who contacts you claiming to process your permit.

Yours sincerely,
